

*Let's run & have fun!*

The background features a watercolor-style wash of blue and purple. In the center, there are four colorful silhouettes of people in various running poses: one yellow, one orange, one yellow, and one red. Overlaid on this is the text 'Color Run' in a large, bubbly, multi-colored font. The word 'Color' is in red and black, and 'Run' is in red and black. The letters are decorated with small colored dots and splatters.
